

ABC Preschool Pre-registration 2023-2024 School Year

Please help us prepare for the 2023-2024 school year by pre-registering your child. This along with the payment of their registration fee will hold their spot. Please sign your child up if they will be eligible.

Preschool children must meet the following requirements before the first day of school.

- ✓ Age 3 by August 1st and completely potty trained (child must be self-sufficient in entire bathroom process)

Here is the program information:

- The 3-day-a-week program will be Monday, Wednesday, and Friday from 8:00am to 12:00pm.
- The 5-day-a-week program will be Monday through Friday from 8:00am to 12:00pm.

Preschool children that will attend Kindergarten the following year are strongly encouraged to attend the 5-day-a-week program. It is up to the parents' discretion for younger students whether they sign up their child for the 3 or 5 day-a-week program. Please sign up your child for the program that you feel will best fit their needs.

There will be two options to switch programs if it is needed. You can switch your child's program at the end of the first quarter (after parent/teacher conferences), or at the end of the second quarter (over Christmas Break).

For the most part, ABC Preschool breaks and weather days will operate according to the South Newton School Corporation Calendar. Our school year will begin the following Monday after South Newton begins. ABC Preschool operates within the Brook United Methodist Church.

Tuition payments will be due on the first school day of each month. The cost of the 3 day-a-week program will be \$60 per week. The cost of the 5 day-a-week program will be \$100 per week.

Our preschool provides a fun, hands on learning experience while operating within a faith-based learning environment. We focus strongly on kindergarten readiness, emergent literacy, and emergent writing curriculum, as well as prekindergarten math and number sense skills.

We will have a registration/meet the teacher day prior to school beginning. We will contact you with the date once it has been determined. More thorough registration paperwork will be filled out on this date and more information about the preschool will be provided to parents.

Please follow our public Facebook page @ABCPreschoolBrook for up-to-date communications.
